Srv(D) lp schol Campus - 682011

Pre- Bid meeting will be on 13th February 2026 at 4 pm in the O/o the District Project Co-ordinator, Samagra Shiksha Kerala, Ernakulam.

Terms & Conditions and deliverables

1. The agency shall commence the work on specific intimation from SSK Ernakulam in writing or the time indicated in the Letter of Acceptance and shall proceed with the same without delay. If the agency fails to commence the work as per the terms of Order/Contract, the Institute, at its sole discretion will have the right to cancel the Order/Contract.
2. The service of the agency will be for the entire period of the work (including defects liability period). Necessary site inspection during defect liability period shall be done by the agency. Final inspection and certification after defect liability period shall also be done by the agency.
3. They shall do the project formulation and Appraisal including the Architectural, Structural, Facade engineering, mechanical, electrical, plumbing, air conditioning, firefighting services and interior works, etc for the projects assigned to them and implementation of the Projects till the successful completion, commissioning, billing and handing over works to Samagra Shiksha Kerala ernakulam(SSK). The agency shall also be responsible for the execution of the project with due control for safety, quality control, cost control, project monitoring, and after successful completion, commissioning, handing over works and periodic inspection, till the defects liability period.
4. The agency shall obtain site information (site locality and other basic data) and ascertain Client's requirement. The agency shall do site appraisal including contour survey, subsoil investigation etc. The agency shall prepare preliminary report along with preliminary drawings, Master plan, preliminary estimate based on the approved scheme and shall submit to SSK along with contour drawings and subsoil investigation report.
5. Investigation, Planning, Design & preparation of estimates: Detailed investigation, design of structures and preparation of drawings are to be done before preparation of detailed estimates by the agency. Detailed estimates shall be prepared in latest PRICE Software based on CPWD/MoRTH/MoRD Specifications & Data and prevailing DSR with applicable cost index. The estimate shall be prepared by using DSR items by avoiding OD/Market rate items to the maximum possible extent.
6. The agency shall execute the work by following the provisions of CPWD/KPWD Manual, relevant Government orders and circulars in letter and spirit of the projects undertaken. For procurements of goods, if any, shall be complying with the provisions in Kerala Stores Purchase Manual.
7. The Agency shall ensure that, the designs done by private firms shall be proof checked by Competent Government agency and approved by the competent TS authority.
8. In case any work is entrusted to any agency for direct execution and the agency is not a Govt agency, Technical Sanction shall be issued by a competent Government authority, measurement & check measurement shall be done by Agency's concerned Engineer. In such cases, Consultancy charges payable to agencies shall be reduced by 10% of approved centage charge.
9. The agency shall obtain all necessary approvals/ clearances from all concerned local authorities, if such approvals are necessary and make necessary modifications as may be required by the competent authority in consultation with the client without any extra charge. Statutory fees will be reimbursed by the Client.
10. The agency should ensure that sufficient numbers of experienced Engineers shall be

deployed as per requirement of site. Agency shall appoint competent supervisory staff for supervising and monitoring the work for the timely completion of the project. For Govt. agencies, Billing/ scrutiny of bills for executed works shall be done using required staffs time to time, without affecting fund flow of the project. It may be ensured that, necessary supervision, monitoring and billing for civil works, electrical works (external/internal electrification, HVAC, ELV works etc), water supply works, sanitary works, effluent treatment plant, fire protection and security system, landscaping etc are done through experts in relevant field.

11. The agency shall submit a detailed programme for the project and shall forwarded the same to SSK. The programme shall be updated as soon as any change is noticed / forecasted.
12. Necessary provisions/ facilities and necessary precautions shall be taken by the PMC / NON PMC as per prevailing Govt. guidelines, for labour/staff accommodation.
13. Taking care that no deviation / modification from the approved drawings and design is made in the execution of works and if at all during execution of works any deviation/ modification is found necessary, it shall be specifically brought to the notice of SSK in writing before the agency execute such deviation / modification of work.
14. The agency shall ensure that timely completion of entire project in scheduled completion period/ completion of any component or part of work as per requirement of SSK.
